

Vegas™ Movie Studio HD Platinum 11

Professional-quality video editing & disc authoring

Vegas™ Movie Studio HD Platinum Edition software has everything needed to produce spectacular HD movies. You can edit video in nearly any format including HDV and AVCHD. Included are innovative stereoscopic 3D tools, powerful features for video compositing, color correction, and soundtrack creation for feature-film results in your home studio. Use the surround sound mixing tools to create 5.1 soundtracks. Choose from hundreds of professional 2D and 3D video effects, titles, and filters. Upload movies to YouTube™, burn to Blu-ray Disc™, or author DVDs using beautifully designed themes or create custom menus and graphics. Exclusive Sony *Show Me How* interactive tutorials help you get started fast.

Edit movies with special effects and transitions—including full HD and 3D

Create a DVD or Blu-ray Disc™ with custom menus and graphics

Share movies on Facebook®, YouTube™, and portable devices

Powerful Video Editing

- Edit video in nearly any format including 3D MVC and Sony AVCHD video
- Create stereoscopic 3D projects and output them in a variety of formats
- Produce high-quality movies, corporate videos, wedding DVDs, and more

Advanced Video and Audio Editing Tools

- Apply Reverb, EQ, and other effects to customize your audio
- Use image stabilization technology to reduce jitter and shaky video footage
- Restore washed-out footage, make specific colors stand out, and balance color differences between scenes

Surround Sound Mixing and Encoding

- Import multichannel (5.1) source files from camcorders including Sony® DVD and AVCHD Handycam® models
- Use the surround sound mixing and panning tools to create surround DVD soundtracks
- Encode AC-3 stereo or 5.1 mixes with the included Dolby® Digital AC-3 encoding software

The Perfect Soundtrack

- Includes 360 exclusive music soundtracks to complete your video
- Import music from CDs and MP3s or record your own voiceover track
- Remove clicks, pops, and other unwanted noise with audio restoration tools

Integrated 2D/3D DVD and Blu-ray Disc™ Creation

- Author and burn professional-looking DVDs
- Add custom menus, buttons, backgrounds, and navigation to DVDs
- Burn high-definition Blu-ray Discs directly from the video timeline

Share Your Creations

- Create your own music CD, DVD, or Blu-ray Disc™ in minutes
- Upload projects directly to YouTube™ and YouTube 3D
- Share audio and video on portable devices such as PSP®, iPod®, iPhone®, and more
